

Data
collection

```
graph LR; A[Data collection] --> B[Vectorization]; B --> C[Classification Engine];
```

The diagram is a horizontal flowchart with three rounded rectangular boxes. The first box on the left contains the text 'Data collection'. A gray arrow points from the right side of this box to the left side of the second box in the middle. The second box contains the text 'Vectorization'. Another gray arrow points from the right side of the second box to the left side of the third box on the right. The third box contains the text 'Classification Engine'.
